

In Memory Of
Peter David Beaves

Peter David Beaves, 84, of East Dubuque, peacefully passed away Monday, May 17, 2021, at his home in East Dubuque. Peter grew up in the Sacred Heart Parish neighborhood. He attended Loras Academy, continuing his academic career at LSU, graduating in 1960. That summer, Peter interned for the Federal Reserve, under the Kennedy Administration. From 1960 to 1962, Peter earned his Masters of Economics at the University of Illinois. After graduation, Peter returned to Loras college as Professor of Economics. Keeping his love for golf alive, during the summer months at Bunker Hill, Peter friended, then manager-pro, Gordon Cunningham. During Easter Break of 1964, Peter and some of his students assisted Gordon in an irrigation contract. Peter and Gordon decided to join forces, hence the creation of Midwest Irrigation. Successfully completing a couple small projects, the partnership expanded their business by designing and constructing golf courses throughout the Midwest. Thunder Hills Country Club and the beautiful 45 hole Lacoma Golf Course, are a testament to Peter's legacy.

If you needed Peter, you could find him in one of his favorite places: in the early morning having coffee with “the Lacoma coffee crew”, making the rounds to his golf courses, at his desk deep in thought, seeking conversations with his valued employees and customers, in the old Lacoma kitchen, cooking a delicious pot roast for his staff, on certain afternoons golfing with his great buddies, most evenings in his rocking chair reading the latest non-fiction novel or biography, walking the neighborhood with his great friends Bob, Mary and beloved wife, Margaret, making ice cream runs for his grandchildren, sharing a casual family dinner, watching “a series” with Margaret, or checking in with his children and grandchildren who lived out of state. Our Patriarch Peter leaves us with this legacy: charity, faithfulness, loyalty, honesty, humility, patience, and wisdom beyond our years. We feel truly blessed.

In his last days, Peter mentioned looking forward to seeing his mother again; We’re sure God granted Peter this reunion, and a house with a perfect rocking chair, animals at his feeders, birds singing songs of joy, and endless bookshelves of great reads for all of eternity

June is here and the golf season has come with it! This game we all enjoy has come on strong to start the 2021 golf season. With a busy golf year comes many new faces. To those people I haven't had the opportunity to get to know, I look forward to doing so. Whether you're a Lacoma seasoned veteran or new to the game, make sure to stop in, introduce yourselves, and say hello. We have many new employees who look forward to meeting you. As 2021 approaches its halfway mark, time is moving quickly. Lets just hope your backswing isn't as quick! See you out there.

Cubs vs. Cardinals Tailgate

2-Person Best Shot

Sunday, June 13th

9 Holes • 11 AM Shotgun • Blue Course

Ballpark Themed Lunch Included

First Pitch @ 1:20 PM

4th of July Weekend

July 3rd

4-Person Best Shot

Standard 4-person best shot format. Men play from the white tees and women will play from the red tees. Men who are 65 years of age and older may play from the Gold Tees.

July 4th

Step Back Scramble

In this four-player best shot, each team tees off from the Red tees on the first hole. If the team makes a birdie or better on that hole, they “step back” to the next tee box on the second hole. Par? Stay where you are. Bogey? Jump up a tee on the next hole! Tee rotations reset back to the Red Tees after the Front 9.

July 5th

Two-Person Best Shot

Standard best shot format only with two people. Choose your partner wisely!

Advice from the Golf Shop

“If you miss a putt it’s best to motion your hand in the direction of the hole.. This gives off the appearance that you know what you’re doing.”

A Word from the Super

Welcome golfers! As we are expecting more play this year we encourage all golfers to respect the rules around the greens, repairing divots, and fixing ball marks. Being respectful of driving carts in designated areas and keeping to the paths when possible will go a long way to ensuring the course stays in proper, playing condition. My staff and I will continue to remove dead ash trees around the property. Our goal is to open up the tee boxes to allow for sunlight which will allow for a better playing surface. Lets hope the weather cooperates and we have a great golf season. See you out there!

Gene's Genius

How you set up over the ball greatly influences how well you are able to hit it. To correctly prep your posture for action, stand with a club pressed against your thighs. Then bend forward from your hips while slightly flexing your knees. If you do this without hunching your back, your arms will hang straight down. Perfect. Now grip the handle with your glove hand and check that it's at roughly a 45-degree angle to your forearm. Now grip the club with your glove hand add the other hand and you are now in the posture position ready to swing.
